Cybernetics Launches New Backup and Storage Website

Cybernetics' New Website Features Expanded Product Information in a Modern, Interactive Layout

February 22, 2012, Yorktown, Virginia – Cybernetics has announced the launch of its new website, www.cybernetics.com. The new site showcases the complete Cybernetics SAN Storage and Virtual Tape product line in a clean, intuitive design that is easy to navigate and explore. From technical updates and press releases to customer success stories and interactive walk-throughs, Cybernetics.com offers easy access to a wealth of information and ways to stay up-to-date on the latest in state-of-the-art data storage and backup technology.

Based in Yorktown, Virginia, since 1978, Cybernetics manufactures, supports, and services a complete family of disk-based storage and backup solutions. Cybernetics is recognized in the United States and around the world as a pioneer in data storage technology, specializing in industry-first features that vastly improve the performance of tape and disk subsystems.
